Dear Parents/Carers

Week three done! Three more weeks to go till half term. We will let you know as soon as we do, what will be happening after half term. Unfortunately we do not hear until a public announcement is made. Well done to everyone for all your efforts with home learning. Please let your class teacher know if you are having difficulties so that we can look at how to support you. Nearly everyone is now able to access learning and it would be wonderful if everyone was able to. Our laptops have now arrived and we will be giving them to the parents and carers in the initial stage who did not have a device or phone. Please let your class teacher know if you are now experiencing difficulties.

We can also help with data packages, please call the school office for information.

I hope you all manage to enjoy some fresh air this weekend. There are signs of spring coming through snowdrops and daffodils signalling fresh hope. Stay safe everyone and as ever you are in our hearts.

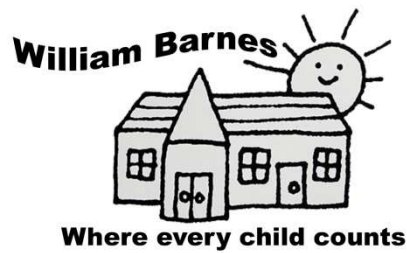

Best Wishes

Karen wrixon
Headteacher
