## MAY 2020 NEWSLETTER

Dear Parents/carers

Well, another month has passed. The storm still continues but hopefully we are seeing more of the rainbow emerging.

The sun has certainly helped if we have been able to take a daily walk.

As I emailed earlier this week the new packs will be ready to go out on Monday 4<sup>th</sup> May. The same system is in place but if year 6 could come between 10-10.30 and 11-12 as well then Mrs Strudwick and I should be able to deliver any packs that cannot be picked up later in the day. We will not be setting work for May half term as hopefully this could be a more relaxed week.

8<sup>th</sup> May is VE day. Obviously there will not be the celebrations that were planned but it is a good opportunity to talk to our children about kindness to everyone and how we can treat those who are different to us with respect. Now is the time for communities to come together and help everyone and I have been so proud of our whole community and how you have all helped each other. The strength in our community is a positive to come from such difficult and sad times. There are resources available on our website if you would like to look at them. The Sturminster Covid Action group is also there to help.

At the time of writing this I still have no further information on when or how school will start to open. We will, of course, let you know when we have any information.

Stay safe, this too will pass, as ever we hold you in our hearts,

Best wishes

Karen Wrixon

Headteacher
